Step into the world of refined illumination with IDS's latest unveiling of the mesmerizing Poldina Minimalist Lamps from the esteemed house of **Zafferano**. Prepare to be enchanted as these lamps transport you into a realm of sophisticated aesthetics and intelligent design solutions.

**Innovative Design Studio**, renowned for its discerning curation of prestigious brands, once again showcases its prowess by bringing Zafferano's cordless lighting masterpieces to the forefront. Founded by Federico de Majo, Zafferano seamlessly integrates age-old glass-blowing techniques into its phenomenal lighting collection, epitomizing elegance with a touch of simplicity.

The Poldina Minimalist Lamps epitomize the perfect marriage of minimalist aesthetics and functional brilliance. Crafted with a delicate matte-painted aluminium body and a polycarbonate diffuser, these lamps exude understated sophistication while ensuring optimal light distribution and longevity. What sets them apart is their intuitive touch control feature, allowing users to effortlessly turn the lamp on or off, adjust brightness, and select from three colour temperature settings—all at their fingertips, reminiscent of the seamless functionality of modern smartphones.

Beyond their technical prowess, the Poldina Lamps boast timeless design elements that add a playful yet elegant character to any indoor or outdoor space. From whimsical Peanuts cartoon-inspired motifs to sleek metallic finishes, each lamp exudes iconic charm, breathing life into every corner they adorn.
