## 13 Luxe Colourful Décor Picks to Brighten Up Your Home This Summer

Image: Natelier by Bent Chair

Summer's all about fresh starts, and what better way to brighten up your space than with a burst of colour? Bold décor and playful furniture pieces are in the spotlight, bringing a cheerful, vibrant energy into every room. Think eye-catching pink armchairs, sunny yellow side tables, and colourful cabinets that instantly liven up your home. Whether it's a subtle accent or a bold centrepiece, these pops of colour are a great way to lift the mood and refresh your interiors for the season. Let colour lead the way to a happier, more inviting home this summer.

**Sacavoloni available at Dash Square, Sax Kitchen Module**

The Sax kitchen is anything but ordinary. With its retro-inspired design and warm melamine finish, it brings a playful yet comforting vibe to your cooking space. The decorative doors feel inviting and familiar, while the "Metro" wall system adds a hint of vintage-meets-industrial charm. Open shelving, metal detailing, and textured surfaces create visual contrast that draws the eye. Choose from summery shades like zesty lemon, calming seafoam, or earthy terracotta to add a fresh spin to your kitchen. It's not just functional — it's full of personality.

**Price** - On Request

**The Como Bench by Nivasa**

If you're after a piece that's both elegant and fun, the Como Bench from Nivasa is just the thing. Upholstered in a cheerful pink fabric, it adds a pop of colour without overwhelming the space. The white carved wood detailing brings a timeless, classic touch that makes it versatile enough for a lounge, bedroom, or quiet reading nook. Pair it with floral cushions and some greenery for a look that's charming and relaxed — a lovely spot to unwind in style.

#### **Martinelli Luce available at Innovative Design Studio by IDG, Elastica, Studio Habits**

Light doesn't just illuminate — it transforms. The Elastica by Martinelli Luce does exactly that, adding a sense of movement and creativity to any room. This stretchy light fixture connects floor to ceiling, creating a playful ribbon of light in vibrant shades like red, yellow, and blue. It's touch-sensitive too — pull gently to dim or brighten. It's the kind of piece that invites interaction while adding a sculptural edge to your interiors. Ideal for modern homes looking for a fun and fresh twist.

#### **Stone Art, Moroccan basins**

Bring a touch of Moroccan magic into your home with these beautifully hand-painted basins from Stone Art. Each one is crafted with traditional techniques — rich patterns, bold colours, and high-temperature finishes that ensure durability. They're functional, yes, but they're also little works of art. Whether you place them in a powder room or a larger bathroom, they instantly add colour, charm, and a global flair to your everyday routine.

**Price** - On Request

#### **Maanavi Homes, Carmine Console**

The Carmine Console is all about bold beauty. With its deep red hue and elegant arched frame, it's a standout piece that commands attention. Perfect for entryways or behind a sofa, it adds structure and style while offering practical surface space. The colour brings instant warmth, making it ideal for livening up neutral settings. It's bold, it's brave, and it's effortlessly chic.

#### **Cocoon Fine Rugs, Cocoon Fine Rugs X Vishakha Jindal Collaboration**

Part of the playful *Just Another Playground* collection, this rug is pure joy underfoot. Hand-knotted using the finest materials, Bounce II captures the spirit of childhood — of running, laughing, and chasing after dreams. Its bright palette and fluid patterns give any room a sense of motion and emotion. Place it in a living room or a child's bedroom for a warm, nostalgic vibe that feels both luxurious and heartfelt.

### Häuser, Hana Sofa Set

If you love colour but still want a clean, modern look, the Hana Sofa Set strikes the perfect balance. With a natural wood frame, bright orange rope accents, and soft pink cushions, it feels fresh and inviting. The matching coffee table ties the look together. It's a great pick for open-plan homes or balconies that need a bit more character without losing elegance.
